George Edwin Pulliam, age 94, of Bernie, MO, passed away on May 15, 2016 at his home, surrounded by family and friends. He was born to Georgia Ethel Cox Pulliam and the Rev. Sam W. Pulliam on September 19, 1921, in Doniphan, MO.

He started school at Spain Elementary, a one-room school near the Tucker community in rural Ripley County, and was a 1939 graduate of Essex High School. Ed attended the University of Missouri at Columbia before and after WWII, graduating in 1948 with a degree in Agriculture Economics.

During WWII, Ed served as a B-17 pilot with the 92nd Bombardment Group in the European Theatre. This experience shaped his values, beliefs, and actions for the remainder of his life.

On February 28, 1954, he was married to Frances JoAnne Buster of Muscatine, IA. They were the proud parents of a son, Joseph Edwin (Adaina), a daughter, Sarah Beth, grandchildren Joe Ryan (Marti) and Adam (Kaleigh) and great-grandchildren Katie, Allie, Hayden and Hali.

Edwin had a profound love of family, his country and the land. He was a conservationist at heart and worked to promote modern farming techniques. He was instrumental in developing drainage systems still in use in the area, extending reliable telephone service to rural areas, and establishing rural water districts.

Ed spent many years serving the farmers and agricultural community in Southeast Missouri as Executive Director of the Stoddard County ASCS
